

Grower Information Session

Under the current Raw Sugar Supply Arrangement with MSF, Mulgrave Mill growers have the ability to choose whether they want QSL or MSF to manage their Grower Economic Interest sugar***.

As such, QSL would like to invite you to a grower information session at 6.30pm on Tuesday 23rd September at the Gordonvale Bowls Club. The QSL team will provide you with an overview of the pricing options available to you within the QSL system.

Those growers currently participating in QSL-managed pools are also invited to join the session, as QSL will also be providing an update on the current season's activities.

When: Tuesday 23rd September

Time: 6pm for 6.30pm start

Where: Gordonvale Bowls Club, Cnr Swan & Mill Sts, Gordonvale

***Grower Economic Sugar being the volume of sugar a Grower has economic exposure to under their Cane Supply Agreement with their miller.
